LAX Traveler Services

Curbside Pick-Up Signs Installed for Travelers with Disabilities

LAX’s Americans with Disabilities Act (ADA) program recently installed curbside ADA pick-up signs at each of the nine terminals. Each of these signs has the new Access logo and will help travelers locate their rides when they return to Los Angeles. This is one of many programs provided by Access Services, involved in creating a barrier-free transportation environment for riders with varied transportation needs and abilities. For more information, click http://www.lawa.org/welcome_lax.aspx?id=350

LAX Receives “Excellence in Concrete Award” for Crossfield Taxiway Project

LAX received the “Excellence in Concrete Award” presented annually by the Southern California chapter of American Concrete Institute for exceptional environmental usage of concrete on the LAX Crossfield Taxiway Project. Part of this project entails a new 1,600-space parking lot to accommodate airline tenants displaced by the new taxiway. The use of “pervious concrete” in the construction of the parking lot allows storm water to flow through, reduces runoff from the parking lot, and helps replenish water tables and aquifers. Construction is scheduled to be completed by June 2010. For more information, click <http://www.lawa.org/newsLAX.aspx>

Bargain Destinations for Spring 2010 to Combat Higher Flight Prices

Bing Travel and Travelocity report that flight prices for spring destinations are up by as much as 23 percent and hotel prices are down by as much as 12 percent since 2009. The top five bargain destinations for 2010 offer a little of everything from the Caribbean beaches of Jamaica, to the small-town charm and outdoor appeal of Gatlinburg, Tennessee.
