

LOS ANGELES INTERNATIONAL AIRPORT/COMMUNITY NOISE ROUNDTABLE

BY-LAWS

Article I – Purpose

The purpose of these by-laws is to establish guidelines for the internal structure and conduct of meetings of the Los Angeles International Airport (LAX)/Community Noise Roundtable, and its interface with elected and appointed officials and the general public.

Article II – Mission

The Los Angeles International Airport/Community Noise Roundtable (herein after referred to as Roundtable) is an association of local communities, Los Angeles World Airports, the Federal Aviation Administration (FAA), and airline industry representatives. These parties are interested in participating in an interactive forum to address current aircraft noise issues associated with aircraft operations to, from and at Los Angeles International Airport. It is the intent of the Roundtable to identify noise concerns in the surrounding communities and to recommend courses of action to LAWA, the FAA, or other responsible entity that could reduce noise over affected communities without concentrating an undue noise burden on any one community via Metroplex.

Article III – Membership

A city, county, state or federal jurisdiction can participate in the Roundtable by submitting a letter of interest/intent to the Chair of the Roundtable. In that letter, the jurisdiction shall

formally designate the official representative (elected official preferred) of the jurisdiction and an alternate representative (elected official preferred), or jurisdiction staff member or a person from that community who is authorized to act in the designee's absence.

There may be a total of up to four (4) representatives from the Los Angeles City Council. Such members of the Roundtable shall be Council members or Council staff representing Council Districts' interests on aircraft noise issues facing the Roundtable. At such time as district boundaries are redrawn, the Roundtable shall designate the new eligible districts. These representatives shall be voting members of the Roundtable.

The Executive Director of Los Angeles World Airports (LAWA) shall designate a representative and alternate to the Roundtable. This representative shall be a voting member of the Roundtable.

The LAX Area Advisory Committee shall designate a representative and alternate to the Roundtable. This representative shall be a voting member of the Roundtable.

The Chair of the Roundtable may invite at-large representatives from recognized legitimate community groups or organizations. These community groups or organizations shall have a formal structure including by-laws, membership and regular meetings to be considered for at-large seats on the Roundtable, and designate their representative and alternate in an official letter. These at-large members shall be approved by a majority of the Roundtable quorum, and will be voting members of the Roundtable. At-large members shall serve a term of two (2) years. They may be re-appointed by the Chair, subject to approval by a majority of the Roundtable quorum.

Participation by the Federal Aviation Administration and the airline industry is essential to the success of the Roundtable. The designated representative of the FAA is an ex-officio non-voting member. A designated representative of the airline industry shall be approved by majority of the Roundtable quorum and be a voting member.

Jurisdiction

A Member Jurisdiction may withdraw at any time from participation in the Roundtable by a written notice to the Chair.

A Member Jurisdiction will be considered inactive if they do not participate for a period of six (6) months. The Member Jurisdiction may return to active status by notifying the Chair of the Roundtable with reaffirmation of their official representative and alternate.

A Member Jurisdiction will be considered dropped if they are inactive for a period of twelve (12) months. The jurisdiction may return as a new member following above procedures.

At-Large Representative

An At-Large Representative will be considered inactive if they do not participate for a period of six (6) months or their term ends. The At-Large Representative may return to active status by notifying the Chair of the Roundtable with reaffirmation of their official representative and alternate or their term has been voted on at the organizations regular election.

An At-Large Representative will be considered dropped if they are inactive for a period of twelve (12) months. The At-Large Representative may return as a new member following above procedures and their term has been voted on at the organizations regular election.
