LAWA BY THE NUMBERS

ESG MATRIX

ii

| KPI/Tracked Information Objective (if applicable) | | Target (if applicable) | Location of 2023 metric in report |
|---|--|---|--|
| Environmental | | | |
| Demonstrate leadership by enhancing efficiency, promoting | LADWP Power Grid sources; annual solar generation | 100% renewable electricity by 2045 | Energy Stewardship (<u>page 18</u>) |
| green power generation, and boosting resiliency | Energy use per passenger at LAX | Further reduce energy use per passenger 15% by 2025, 30% by 2035, and 65% by 2045 over 2011 levels | Energy Stewardship (<u>page 18</u> and <u>19</u>) |
| Increase recycled water use and reducing potable water use | Water usage per passenger at LAX | Additional 25% reduction in potable water use per passenger by 2025 and 30% by 2035 over 2017 levels | Water Management (<u>page 23</u>) |
| | Reclaimed water usage as percentage of total | Increase recycled water use 30% by 2035 | Water Management (<u>page 23</u>) |
| | Landscape irrigation at LAX | Eliminating potable water consumption for non-potable uses by 2045 | Water Management (<u>page 24</u>) |
| Encourage airlines to implement practices to reduce noise impact on communities | Winners of the Fly Quieter Program | Implement the LAX Fly Quieter Program | Natural Resources Management (<u>page 45</u>) |
| Reduce GHG emissions | Current GHG emissions | Carbon neutrality by 2045 | Air Emissions Management (<u>page 31</u>) |
| | | Upgrade to higher Airport Carbon Accreditation (ACA) level by 2023 | Air Emissions Management (page 31) |
| Develop a more sustainable fleet | Quantity of zero emission buses | Achieve 20% zero emissions bus fleet by 2023; achieve 100% zero emissions bus fleet by 2030 | Air Emissions Management (<u>page 29</u>) |
| | Quantity of electric light-duty vehicles | Archive 25% light-duty electric vehicle fleet by 2023 and 100% light duty vehicle fleet by 2031 | Air Emissions Management (<u>page 29</u>) |
| | GSE emissions factors, current incentive programs | Stronger GSE targets | Air Emissions Management (<u>page 30</u>) |
| | Percentage of fleet made up of AFV | 100% compliance with LAX Alternative Fuel Vehicle Policy Complete gate electrification program for all cargo, hangar, maintenance, and remain-over-night aircraft parking positions | Air Emissions Management (<u>page 29</u>) |

Objective

LAWA 2023 SUSTAINABILITY REPORT

| Objective | KPI/Tracked Information (if applicable) | Target (if applicable) | Location of 2023 metric in report |
|---|--|--|--|
| Provide comprehensive trip reduction programs | Ridership and adoption of ridershare programs and FlyAway | N/A | Air Emissions Management (<u>page 27</u> and <u>28</u>) |
| Divert materials where possible from landfill | Current diversion rate, tons of diverted waste | Achieve non-construction waste diversion of 25% by 2025; achieve non-construction waste diversion of 50% by 2035 | Material Resources Management (<u>page 34</u>) |
| | Current diversion rate of on- going construction projects | Achieve construction waste diversion of 90% by 2025; 95% by 2035 | Material Resources Management (<u>page 34</u>) |
| | Quantity of food waste collected; quantity of food waste recycled | Expand food donation and waste collection efforts | Material Resources Management (<u>page 34</u>) |
| Protect local biodiversity and restore the LAX Dunes | Number of native species planted | Continue to strive for the natural addition of flora and fauna with no net loss of biodiversity in the LAX Dunes | Natural Resources Management (<u>page 46</u> to <u>48</u>) |
| | Number of community events held, hours volunteered, quantity of invasive species | Implement invasive plant management in the El Segundo Blue Butterfly Habitat (ESBB) Restoration Area (HRA) | Natural Resources Management (<u>page 46</u> to <u>48</u>) |
| | removed | Continue to improve the Coastal Dunes Improvement Project (CDIP) area in northern section of the LAX Dunes | Natural Resources Management (<u>page 46</u> to <u>48</u>) |
| | | Continue weeding and restoration activities | Natural Resources Management (<u>page 46</u> to <u>48</u>) |
| | Amount of grants obtained | Secure grants that will benefit the LAX Dunes, habitat, flora, and fauna | Natural Resources Management (<u>page 46</u>) |
| Continue to build sustainably | Number of LEED certified buildings | All new LAWA or tenants building construction and major renovations are required to achieve LEED Silver or higher as well as seek additional sustainability certifications | Sustainable Construction Practices (<u>page 37</u>); LAWA by the Numbers (<u>page 71</u> to <u>73</u>) |
| | Number of existing office spaces that have received California Green Business Certification | N/A | Corporate Responsibility (<u>page 14</u>) |

| Objective | KPI/Tracked Information (if applicable) | Target (if applicable) | Location of 2023 metric in report |
|---|---|--|--|
| Social | | | |
| Promote community involvement through events and community meetings | Number of community events hosted and attended; community meetings attended | N/A | Corporate Responsibility (<u>page 10</u>) |
| Develop and expand partnerships to promote a sustainable local workforce for the airport and airport- related projects | Percentage of local workers on active projects by head count and hours worked; HireLAX graduates, iCare participation | N/A | Corporate Responsibility (<u>page 12</u> and <u>13</u>) |
| Continue to implement inclusivity requirements in LAWA contracts and monitor compliance | Existing Local/Small/ Disabled Veterans Enterprise Program pledges and current utilization. | N/A | Corporate Responsibility (<u>page 12</u>) |
| Provide transparency in operations and flight procedures to surrounding communities | N/A | Launch web-based noise portals for LAX and VNY | Noise Management (<u>page 42</u>) |
| Educate the public on on-going airport work and sustainability programs | Number of tours, educational opportunities | N/A | Corporate Responsibility (<u>page 10</u> and <u>14</u>) |
| Governance | | | |
| Hold and communicate code of business ethics and core ethical values | Current code of business conduct and core ethical values | N/A | ESG (<u>page 52</u>) |
| Promote diversity and equity through workforce expansion | Current employee count and demographics | N/A | ESG (<u>page 53</u>) |
| Provide transparency in financial reporting | Key economic data for VNY and LAX | N/A | LAWA by the Numbers (<u>page 66</u>) |
| Provide platforms for effective communication and education to LAX employees | N/A | N/A | Corporate Responsibility (<u>page 14</u>) |
| Educate employees on human trafficking and methods to recognize potential trafficking | N/A | N/A | ESG (<u>page 53</u>) |

LAWA

CORPORATE RESPONSIBILITY

Key Economic Data for 2023 at LAX and VNY

| | LAX 2023 (\$) | VNY 2023 (\$) |
|--|------------------|---------------|
| Total Revenue Generation | \$2,042,287,000 | \$24,730,000 |
| Total Expenses | \$905,005,000 | \$20,055,000 |
| Total Income | \$1,137,282,000 | \$3,995,000 |
| Total Outstanding Bonds for LAX | \$12,731,421,000 | N/A |
| Debt Payments for LAX | \$485,459,000 | N/A |
| Capital Reinvestment at LAX | \$2,269,162,000 | N/A |
| Guest Experience and Guest Services at LAX | \$9,672,000 | N/A |
| Environmental and Noise Programs | \$12,386,000 | \$201,000 |
| Safety and Security | \$163,830 | \$3,206,000 |

Note: Total of Operating Income before Depreciation and Amortization and Other Non-operating Revenue, net before Interest Expense.

Notes: Numbers as reported to LAWA's Environmental Programs Division.

"Others" category through 2017 includes CPUs/monitors, jet fuel/engine oil, toner cartridges, textiles, and mixed recyclables. "Others" category beginning in 2018 includes universal waste (motor oil, batteries, solvents, coolants, paints, and fluorescent lamps), and mixed recyclables.

SUSTAINABLE CONSTRUCTION PRACTICES

Green Building Projects at LAX to Date

| Project | Description | Square Footage | Sustainability Rating System | Certification Status | Level | Construction Completion Date |
|---|--|----------------|---|--|---------------|------------------------------------|
| Tom Bradley International Terminal (TBIT) | First renovation of terminal | 993,244 | LEED NC v2.1 | Certified | Silver | 2010 |
| Air Rescue and Fire Fighting (ARFF) | Construction of ARFF Station 80 | 27,500 | LEED NC v2.2 | Certified | Gold | 2011 |
| Terminal 6 Alaska Board Room | Renovation of Alaska Board Room; completed as a tenant project | 4,666 | LEED CI v2009 | Certified | Gold | 2012 |
| Interim West Bus Terminal | located on the new north concourse | | LEED NC v2.2 | Certified | Silver | 2013 |
| Bradley West | radley West Design and construction of new terminal building, concourses, gates, and surrounding aprons | | | Certified | Gold | 2015 |
| Central Utility Plant | Design and construction of a new plant that replaced the existing facility | 88,814 | LEED CI v2.0 | Certified | Gold | 2015 |
| Star Alliance Lounge (in TBIT) | Air New Zealand passenger lounge; completed as a tenant project | 18,000 | LEED CI v2009 | Certified | Gold | 2016 |
| Bradley Renovations | Renovation of existing Bradley main terminal and demolition of old terminal buildings | 277,084 | LEED CI v2009 | Certified | Silver | 2017 |
| Terminal 1.5 | New construction of the New Passenger Processing Building for Southwest Airlines (between Terminals 1 and 2) | 194,000 | CAL Green Tier 1 LEED NC v2009 | Certified | Silver | 2020 |
| United Airlines East Aircraft Maintenance and GSE Project | Consolidate and modernize existing aircraft maintenance and GSE facilities | 410,000 | LEED NC v4 | Final Certification Review Underway | Silver Target | 2021 |
| West Gates at Tom Bradley International Terminal (formerly Midfield Satellite Concourse North) | New multi-level concourse, associated aircraft parking aprons, taxiways/ taxilanes, and utilities | 750,000 | LEED NC v2009 | Certified | Gold | 2021 |

Green Building Projects at LAX (continued)

Project

| Project | Description | Square Footage | Sustainability Rating System | Certification Status | Level | Construction Completion Date |
|---|--|--|--|-------------------------|------------------------------|--|
| Intermodal Transportation Facility West | Four story, 4,300 stall parking structure, the first component of LAX's LAMP project. Will include 5,000 square feet of concession space and LAWA Security & Badging Office | 1,700,000 | CALGreen Tier 1 | Complete | Tier 2 Platinum Target | 2021 |
| LAX Airport Police Facility | New construction of LAX Police Headquarters that includes police headquarters, parking structure, firing range | 160,000 SF headquarters building, with 40,000 SF train- ing facility and parking struc- ture | LEED v4 BD+C: NC | Complete | Gold | 2021 |
| American Airlines Terminals 4.5 Terminal Vertical Core | The Vertical Cores Project is the interface between the T4 and T5 and the terminal | 605,948 | Phase 1—LEED NCv4, T4/5 Interiors— LEED Clv4 | Complete | Gold | T4.5 construction completed Q4 2022; future phases through 2028 |
| LAX Terminal Core APM T5.5 | Passenger connection point between the APM, Terminal 5, and Terminal 6 | 99,000 | LEED v4 BD+C: NC | In progress | Silver Target | Anticipated 2023 |
| LAX Bus Yard | Relocation of the Bus Yard at LAX: 4,000 sq ft office building serving the bus employees and staff and a bus charging pad, charging the electric buses running for airport operations | 4,000 | LEED V4 BD+C: NC | In progress | Silver Target | On-hold |
| Automated People Mover Maintenance Storage Facility | Maintenance and storage facility to clean, store, and maintain APM vehicles | 115,000 | LEED v4 BD+C: NC | In progress | Gold Target | Anticipated 2023 |
| ConRAC | New construction of a consolidated car rental facility | 498,576 | LEED v4 BD+C: CS | Complete | Gold | Anticipated 2024 |
| Delta T2/3—Delta Sky Way at LAX | Facility for Delta Air Lines and code share partners; Rebuild of Terminal 3 and renovation of parts of Terminal 2; Centralized security screening, consolidated baggage, and secure connector to TBIT | 801,070 | LEED NC v3 | In progress | Silver Target | Anticipated 2023 |

Green Building Projects at LAX (continued)

| Project | Description | Square Footage | Sustainability Rating System | Certification Status | Level | Construction Completion Date |
|--|---|---|------------------------------------|-------------------------|---------------|---|
| LAX Terminal Core APM TBIT | Interface between the APM and the TBIT | 141,000 | LEED v4 BD+C: NC | In progress | Silver Target | Anticipated 2024 |
| Automated People Mover | Elevated electric train system that will transport travelers in and out of the LAX CTA | N/A—2.2 miles of elevated guideway | Envision V3.0 | Complete | Gold | Envision Gold received 2022. Project completion anticipated 2025 |
| Midfield Satellite Concourse South | South Concourse extension of West Gates at TBIT | Eight ADG III gates, 148,913 sf | LEED v4 | In progress | Silver Target | Anticipated 2024 |
| LAX Terminal 4 Modernization Project | Phased redevelopment of LAX terminals 4 and 5 for American Airlines | 796,474 | LEED v4 BD+C: NC | In progress | Silver Target | 2028 |
| Airfield & Terminal Modernization Project | Improvements to airfield, terminal, and landside focusing on Concourse 0, Terminal 9, airfield safety improvements, and an elevated roadway system. | Concourse 0: 650,000 sf Terminal 9: 1,400,000 sf | LEED v4 | In progress | Silver Target | 2028 |
