## Orange Line

### Location:

This second LAX FlyAway® location in Van Nuys is located on the south side of Victory Boulevard just east of Woodley Avenue in the Lake Balboa neighborhood. The new boarding location is a short distance from the existing Woodley station along the Metro Orange Line bus route.

### Passenger Drop Off/Pick Up:

A newly-built bus bay allows for dropping off and picking up of FlyAway® passengers without obstructing traffic on Victory Boulevard.

### Parking:

This FlyAway® location allows existing Van Nuys FlyAway® buses to pick up passengers transferring from the Orange Line bus way without significantly deviating from their current route to LAX. It therefore provides another option for San Fernando residents to reach LAX without having to drive to the airport or to the existing Van Nuys FlyAway® terminal building.

### Free Wi-Fi:

The buses offer free Internet access and charging stations under the seats.
