

Construction Hot Topics

Week of January 13, 2020

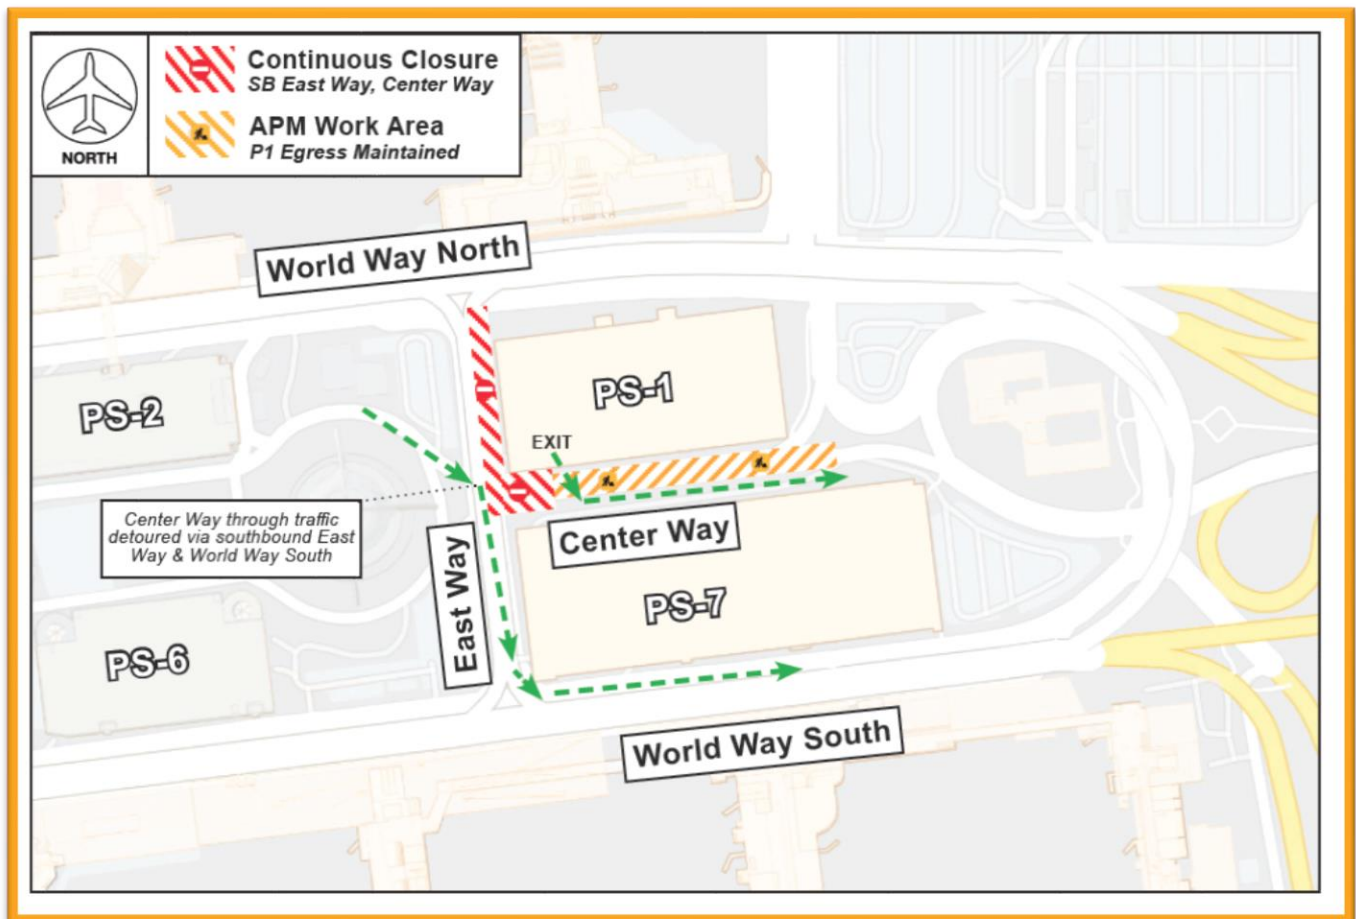

1. East Way & Center Way Closures

- Southbound East Way from World Way North to Center Way, including the intersection of Center Way at East Way, is closed continuously through January 27 at 6AM
- Parking Structure 1 egress is maintained and detours are in place for all other traffic
- This closure is needed while two foundation piles for the Automated People Mover are installed

Previous foundation pile being installed on Center Way

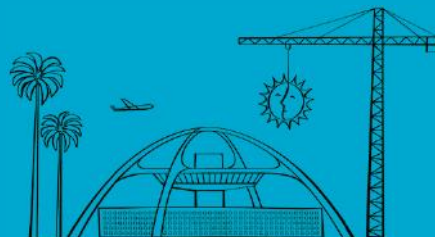

Southbound East Way & Center Way Closure

Change is in the Air(port).

LAX WAY BETTER. REALLY.

Construction Hot Topics

Week of January 13, 2020

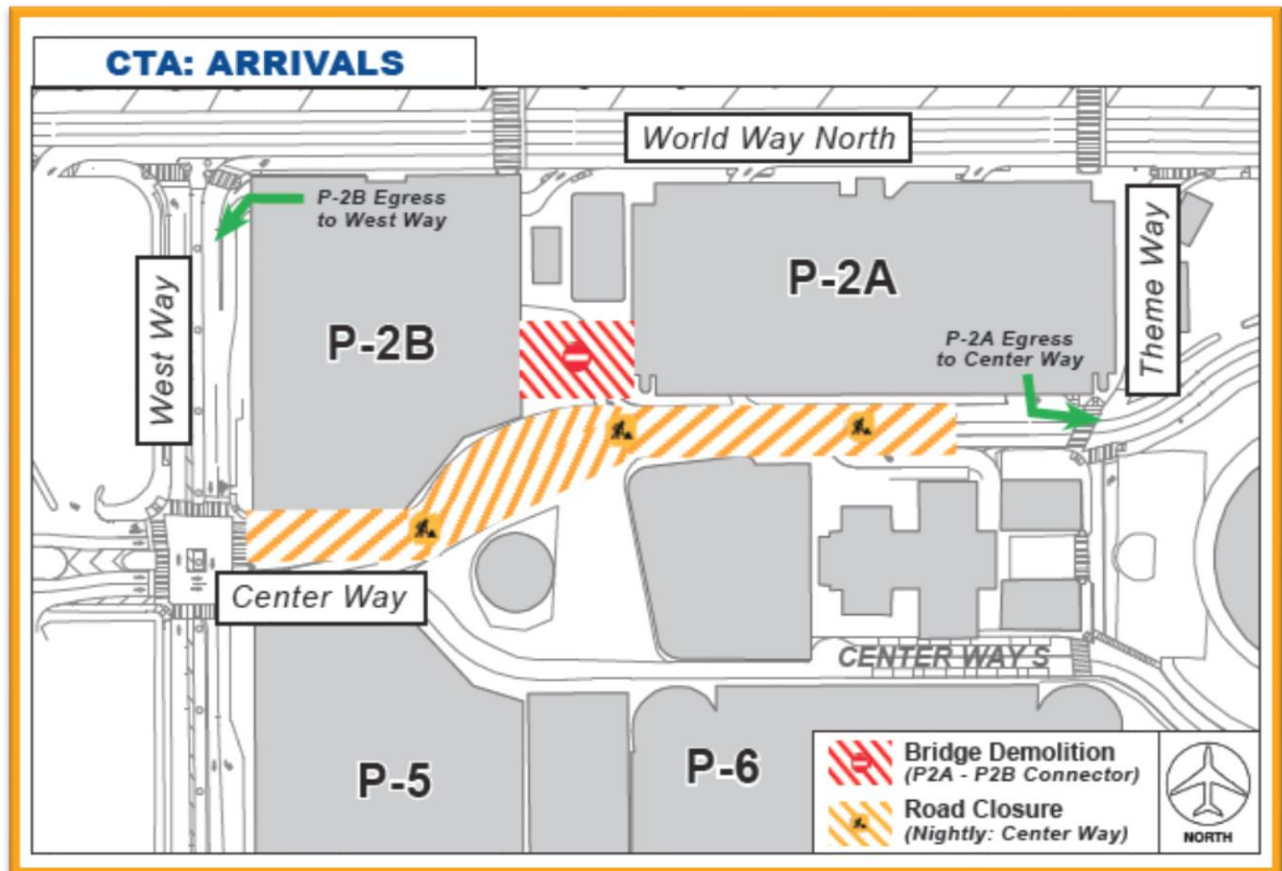

2. Parking Structure 2A / 2B: Bridge Demolition

- The Automated People Mover project will demolish the connecting bridge between Parking Structures 2A and 2B
- Structural removal of the bridge via crane pick will occur this week and next, with all activity scheduled to be completed by February 3, 2020
- During intermittent closures of Center Way for the nightly demolition, detours will be in place

*Bridge to be demolished
between PS-2A and PS-2B*

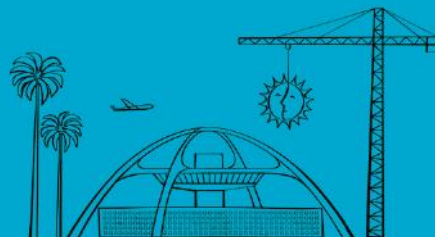

Center Way nightly closure for demolition

Change is in the Air(port).

LAX WAY BETTER. REALLY.
