

LAX MODERNIZATION-ONGOING PROJECTS

TERMINAL 1 RENOVATION Significantly improve the guest experience with a brightened ticketing lobby and shorter TSA screening lines thanks to new, more efficient screening systems. Moving the main entrances farther west will ease traffic and curbside congestion. *Completion: Winter 2018*

TERMINAL 1.5 RENOVATION This project will connect guests from the Automated People Mover (APM) stations, as well as between Terminals 1 and 2. It will provide guest processing including new ticketing areas, guest screening, bag claim and an airside bus gate. *Completion: Summer 2020*

T2/T3 MODERNIZATION PROGRAM This terminal improvement project by Delta Airlines will improve the guest experience with renovated restrooms and other guest amenities and upgrades. *Completion: Winter 2023*

MIDFIELD SATELLITE CONCOURSE This project will provide a new concourse west of the Tom Bradley International Terminal and will include 12 aircraft gates. *Completion: Spring 2020*

TERMINAL 7 & 8 RENOVATION Renovation of Terminals 7 and 8 promises to refurbish virtually all of its public space. *Completion: Summer 2018*

TERMINAL CORES & APM INTERFACES This project will allow guests to connect between the Automated People Mover (APM) stations and parking garages at the Tom Bradley International Terminal, Terminal 5.5 and Terminal 7. *Completion: December 2021*

LANDSIDE ACCESS MODERNIZATION PROGRAM (LAMP)

This program will give airport guests choices that provide a first class, swift, convenient, and reliable way to access LAX, featuring an Automated People Mover (APM), consolidated rent-a-car center (ConRAC), and a link to public transit. *Completion: Spring 2023*

LAX MODERNIZATION- *COMPLETED PROJECTS*
