

Free Construction Career Training

Start your journey toward a rewarding construction career in support of LAX's multi-billion dollar Capital Improvement Program!

APPRENTICESHIP READINESS PROGRAM (ARP)

Ready for a life changing opportunity? Have you considered a career in construction? If yes, then this program is for you!

The HireLAX ARP provides you with a free, 240 hour introduction to construction careers and assistance with everything you need to start and support your union construction career.

Multi-Craft Core Curriculum

A key part of the ARP is the 120-hour MC3, developed by North America's Building Trades Unions (NABTU), which includes:

- Orientation to Union Construction
- Construction Trade Awareness
- Heritage of the American Worker
- Basic Construction Math
- Green Construction
- Tools and Materials
- Basic Blueprint Reading

Participants also receive OSHA-10 and First Aid Certification.

Hands-on Training, Career Development, And More

During training, students do hands-on projects; receive instruction in safety, physical fitness, and conditioning; and are introduced to working with real construction tools and materials. The ARP also provides a rich array of career-development opportunities in which students:

- Learn to craft a construction resume
- Build confidence to succeed in the contractor and union interview process
- Receive comprehensive and holistic counseling and case management
- Attend lectures and work with mentors
- Go on field trips, tour local projects, and visit union apprentice halls

Los Angeles Mayor Eric Garcetti visits with a HireLAX graduate working on-site at LAX.
