NEW DATES: TERMINAL 4 GATES

As construction progresses on the American Airlines Terminal 4/5 Modernization Program, airline gates 49A & 49B in Terminal 4 are scheduled to re-open mid-May 2025 (closed since October 2024, previously reported to re-open mid-April 2025).

Airline Gates 40, 42B, 45, 46A and 47 are scheduled to remain closed through 2027 as work continues on this project.

Please note for all construction impacts signage will be posted alerting guests of all closures associated with this work, as well as alternate access routes.

Visit [FlyLAX.com](https://www.flyLAX.com) for up-to-date maps and information on roadway impacts, open concessions and facilities (restrooms, water refill stations, etc.), and more.

TERMINAL 3 WINS “BEST PROGRAM DESIGN”

At the 2025 Airport Experience Awards, LAX Terminal 3 won “Best Program Design” for its engaging environment and design that emphasizes flow and functionality. This award is a testament to the Delta Sky Way Modernization Project at LAX, which began in 2019 and brought the new 1.2 million square foot, 27 gate facility to life with a focus on elevating the airport experience for its employees and guests.

LAWA CELEBRATES EARTH MONTH

In honor of Earth Month, LAX is highlighting construction efforts that will lead to a more sustainable future. Water conservation is a critical effort in combating climate change and managing increasing water demands. LAWA is leading the way with sustainable practices like incorporating low-flow fixtures, smart irrigation systems, drought-tolerant landscaping, stormwater diversion, and wastewater recycling into its construction design and planning. Currently 56% of LAX’s landscape irrigation uses recycled water!

APRIL 2025: 24/7 CTA LANE RESTRICTIONS

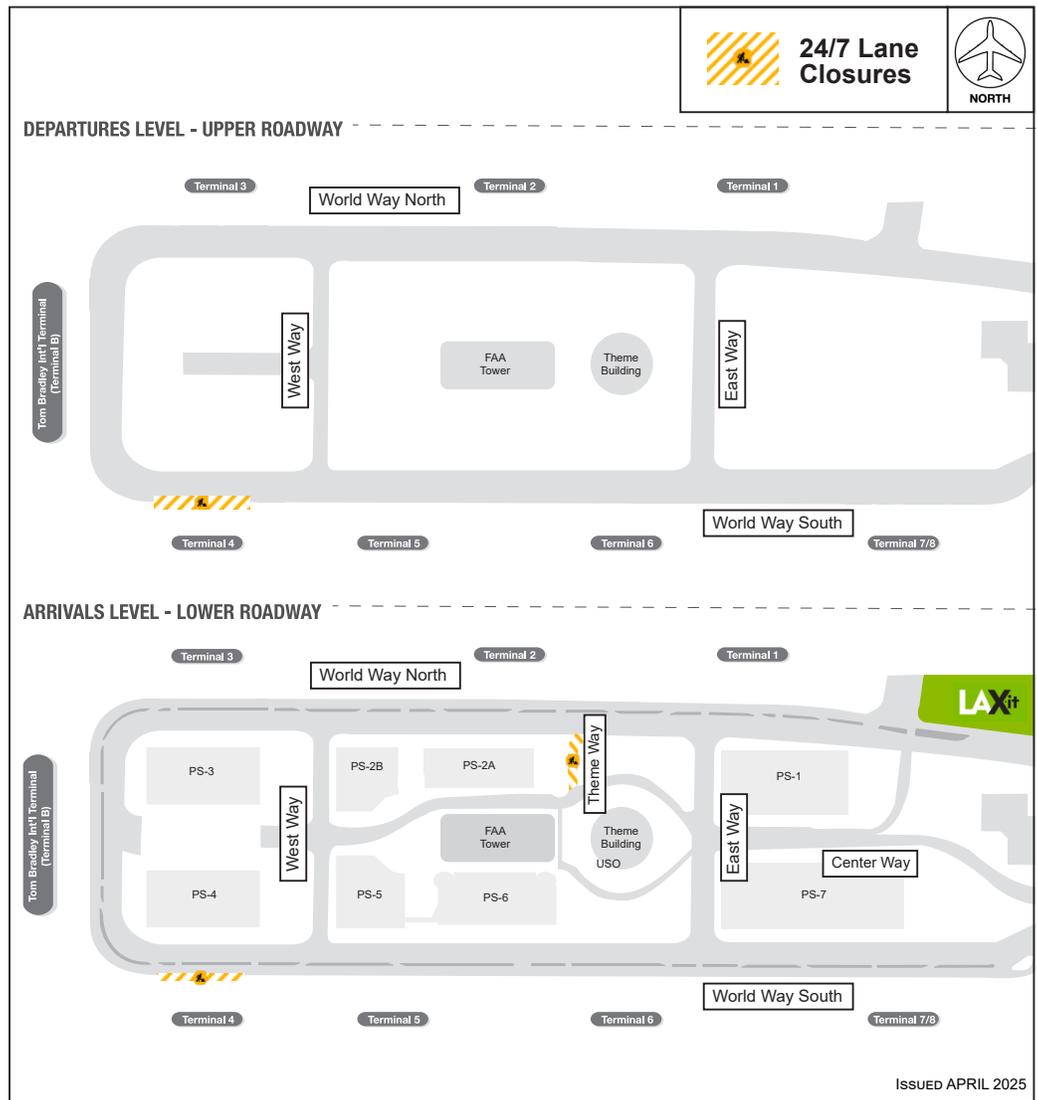

Here is a collective snapshot of scheduled 24/7 lane restrictions for CTA Departures and Arrivals Level Roadways for the month of April 2025.

This map only reflects 24/7 continuous lane closures in the CTA; nightly lane / sidewalk restrictions may be in place to facilitate construction activities.

Traffic around the Central Terminal Area will be maintained at all times, as well as access to passenger pick-up and drop-off and ingress to / egress from parking structures.

Motorists should plan ahead for potential delays and use caution when traveling near construction areas.

Visit [FlyLAX.com](https://www.flylax.com) to check [LAX Live Traffic Conditions](#) 24/4!
