RE: CASE NO. CPC 2016-3390-GPA-ZC-SP DEEMED COMPLETE CONFIRMATION

Ms. Quintanilla,

This letter is provided as a record that the Department of City Planning has determined that the application regarding the above-cited case has been deemed complete. A Hearing Officer public hearing on this matter has been tentatively scheduled for February 2, 2017.

Please note that a determination of "deemed complete" does not mean that no further information will be requested of you – this status only indicates that we have received the minimum required documentation regarding the project to proceed on to a public hearing. Department staff will continue to work with you to obtain additional clarifications or exhibits as needed.

If you have any further questions regarding this case, please contact David Olivo, City Planner, at (213) 978-1205, for assistance.
