3. Consolidated Rent-A-Car Facility Recognized with Green Bond of the Year Award

- LAWA's Consolidated Rent-A-Car (ConRAC) Facility, one of the major components of LAX's \$5.5 billion Landside Access Modernization Program (LAMP), was recently recognized by Environmental Finance as the 2023 Green Bond of the Year award recipient
- The award acknowledges the successful effort to raise financing for the construction of ConRAC with green bonds, showcasing a commitment to decarbonizing transportation and achieving carbon neutrality by 2045
- This is the first time an airport has achieved this distinction
- Scheduled to open in 2023, the ConRAC Facility will consolidate rental car operations currently spread across the surrounding area of LAX into one location conveniently located adjacent to the 405 freeway
- Sustainable design has been at the forefront of the ConRAC Facility, including elements such as native drought-tolerant landscaping, reclaimed water usage and a solar farm generating approximately 8,400 megawatt hours annually
