## **LAX Traveler Services**

### LAX FlyAway® Bus Service at Irvine Station Discontinued

LAX FlyAway® bus service between LAX and Irvine Transportation Center (Irvine Station) in Orange County is now discontinued. Service at the Van Nuys, Union Station and Westwood FlyAway® locations are not affected. For more information, click <http://www.lawa.org/newsContent.aspx?ID=1648>

### LAX Unveils Free Wi-Fi to Passengers

LAX now offers free Wi-Fi service to passengers in all terminals, with unlimited free sessions lasting 45 minutes. Higher speed service is available for \$4.95 for one hour and \$7.95 for 24 hours. For more information, click [http://www.lawa.org/welcome\\_lax.aspx?id=46](http://www.lawa.org/welcome_lax.aspx?id=46)

### Fiber Arts Connect Threads in New In-Terminal Art Exhibition

*Connecting Threads*, a new art exhibit on the Upper/Departures Level of Terminal 1 beyond passenger security screening, features natural and synthetic fiber artworks by 19 Southern California artists. The exhibition will be on display until January 2013. For more information, click [http://www.lawa.org/welcome\\_LAX.aspx?id=1610](http://www.lawa.org/welcome_LAX.aspx?id=1610)

## Air Service News

### Volaris Begins Service to Uruapan, Mexico Oct. 2

Volaris, the Mexican low-cost carrier, begins service to Uruapan, Mexico on Oct. 2, once a week on 174-seat Airbus A320 aircraft. Volaris operates at Terminal 2 at LAX. For more information, click <http://www.volaris.mx/en/get-know-volaris/media-center/volaris-lanza-su-nueva-ruta-uruapan-los-angeles/>

### No Public Viewing Sites at LAX for Transport of Space Shuttle Endeavour Oct. 12

There will be no public viewing sites at LAX when Space Shuttle Endeavour is transported via city streets to the California Science Center on Oct. 12. For more information, click <http://www.californiasciencecenter.org/Exhibits/AirAndSpace/endeavour/endeavour.php>

### China Southern Launches Airbus A380 Service on its Guangzhou-LAX Route Oct. 12

China Southern will launch daily Airbus A380 service between LAX and Guangzhou, China on Oct 12. This will be the first regular international A380 service for the airline. This brings the number of airlines operating A380s at LAX to five. For more information, click <http://www.businesstraveller.com/news/china-southern-to-launch-a380-on-los-angeles-route>
