The screenshot shows the website for the UC Davis Aviation Noise & Emissions Symposium 2020. The header includes the UC Davis logo and the event title. A navigation menu contains links for ABOUT, PROGRAM, REGISTER, SPONSORSHIP, and CONTACT US. A search icon is also present. A red banner below the navigation reads "2020 Symposium: San Diego Mission Valley Marriott, March 1-3". On the left side, there are three buttons: "Join the Mailing List", "Our Technical Program Committee", and "Conference Details". The main content area features a large graphic with the text "ANE Symposium" and "March 1-3, 2020", along with a button that says "View the Program Topics". The background of the graphic shows a network of dotted lines and airplane icons.

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the slide, creating a modern, layered effect.

Thank You!
